MATH
Final Round

27 June- 3 July, 2027

5-12 Grade

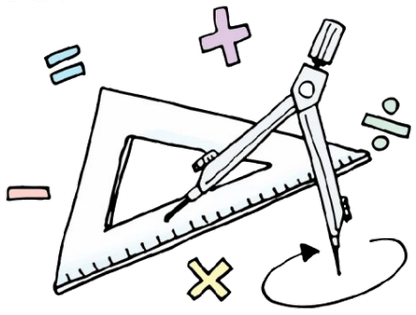

Hosted by

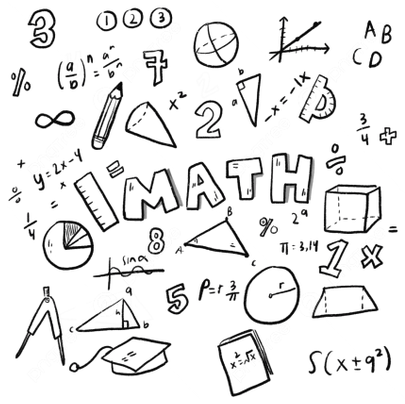

National University of Singapore (NUS)

Program Overview

This comprehensive program offers talented mathematics students an intensive academic experience at National University of Singapore (NUS) ranked 8th in the world, combined with cultural immersion opportunities. The week-long program includes specialized mathematics instruction, assessment, and cultural activities.

Academic Components

- Entry assessment on arrival to determine appropriate learning groups
- Daily mathematics instruction focusing on Olympiad-level problem solving
- Specialized sessions in algebra, geometry, combinatorics, and number theory
- Evaluation and feedback by qualified mathematics specialists
- Award ceremony recognizing outstanding achievement

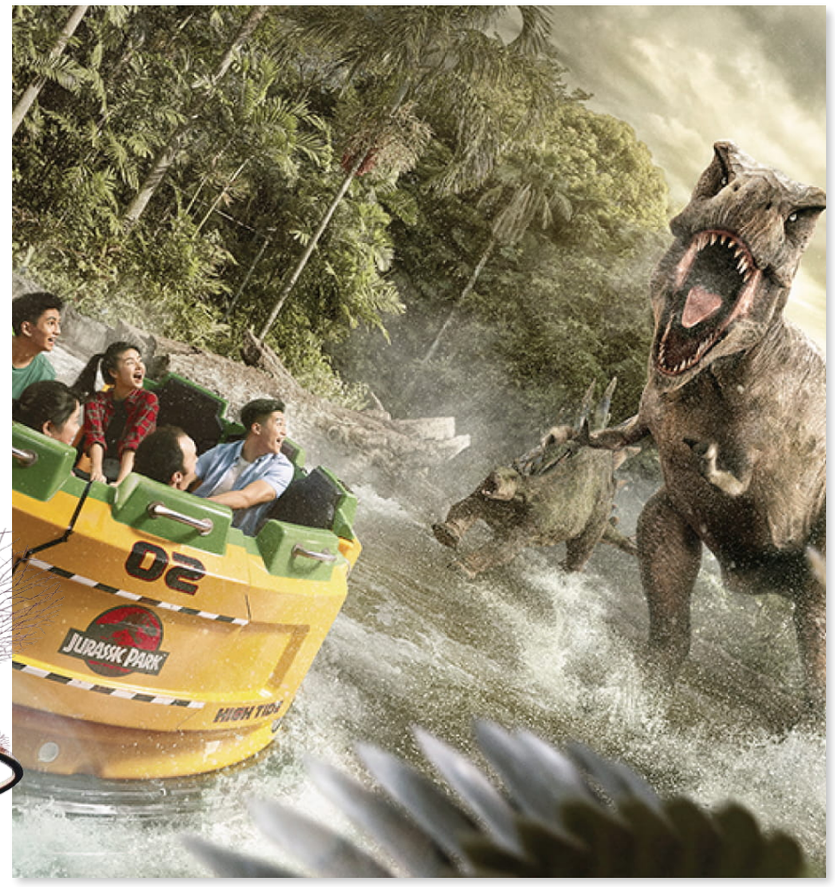

Accommodation & Cultural Experience

- 4 star twin bed hotel
- Supervised program with rotation 10 students + 1 chaperon
- Hotel breakfast daily, dinner upon arrival and buffet lunch and dinner after closing ceremony
- Half day excursions and full day trip to Universal Studio Singapore

	Early rest	Return to Hotel	Garden Rhapsody	Shopping	Return to Hotel	Return to Hotel	

Key Outcomes

This program is designed to deliver measurable benefits for students

For Students

- Enhanced mathematical problem-solving skills at Olympiad level
- Academic assessment and certification from Tigers Olympiad
- Potential for scholarships and future study opportunities
- Cultural immersion and international perspective
- Development of independent study skills in a boarding environment

Incentives & Recognition

- Valuable prices
- Academic year and short term programs scholarship for students
- Certificates of participation and achievement

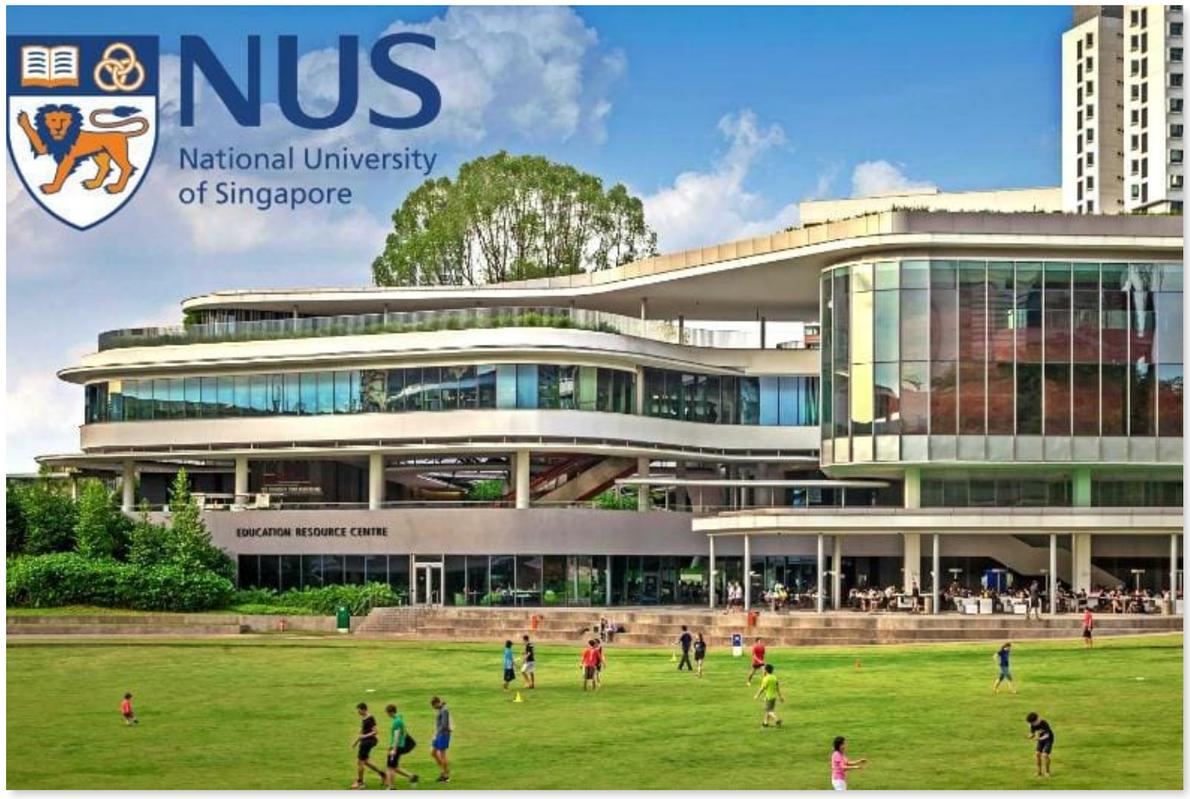

The package includes

- Lessons
- Award ceremony
- Accommodation
- Meals
- Excursions
- Transfer

Awards

Category I (Grade 5-6)

I Place - Next Math trip free

II Place - Ipad

III Place - Apple watch

Category II (Grade 7-8)

I Place - Next Math trip free

II Place - Ipad

III Place - Apple watch

Category III (Grade 9-10)

I Place - UK school academic year tuition fee

II Place - Next Math trip free

III Place - Ipad

Category IV (Grade 11-12)

I Place - Laptop

II Place - Ipad

III Place - Apple watch

All participants will get certificates
